SCHOOL BOND ELECTIONS SLATED THIS WEEK

MORELAND'S ACCEPTANCE ELECTION WILL PREVENT DOUBLE SESSIONS IF VOTERS OKAY STATE SUPPORT

A 'Yes' vote will help build more classrooms and keep Moreland School off double sessions, according to reports from that school district where heavy subdivision development has necessitated calling of a special acceptance election on December 13.

Voters will be asked to accept \$694,816.89 from the state to aid in building classrooms and buying school sites. The district is bonded to capacity and help from the state is essential if any new school rooms are to be constructed.

POLLING PLACE

For this special election the entire Moreland school district has been classified as one precinct whose polling place will be the kindergarten room at Moreland school. The polls will be open from noon to 7 p.m. All registered voters within the school district are eligible to vote.

Moreland School now has an enrollment of 448 students. This number will increase to over 500 before the close of the current term. To house this growing student body, Moreland has only six classrooms which the state classifies as standard and adequate.

In order to prevent double or triple sessions, the school district is using two buildings which have been declared "unsatisfactory for use" by the State Division of Architecture. There are: the old building constructed in 1894, now housing five classes, and the clubhouse, decided to the school by the Moreland Good Will club, and formerly used as a cafeteria, now housing two classes. One hundred and sixty more homes are due for completion in the Moreland District before June 1 of next year. In order to meet this situation, which promises a heavy enrollment influx, the school is converting a new bus garage, now under construction, into temporary classrooms.

HEAVY INCREASE DUE

There are many more pre-school children in the one-to-four years age group living in the district than the number of children now of school age. These children will be entering school soon, and the trustees seek to do away with present sub-standard housing and to begin construction of permanent classrooms as soon as possible.

Only source of funds for this expansion program is the state. Voters of the district are asked to consider needs of the children when they go to the polls December 13 to consider the state aid proposal.

The school building program includes completion of the present Moreland site by addition of two kindergartens, six classrooms, a new cafeteria, and other facilities. A new site will be purchased adjacent to El Quito Park subdivision where two kindergartens and six classrooms will be constructed immediately.

Later, a third site will be chosen and an upper grade school will be built there as soon as there is sufficient need for this type of school.

NO TAX INCREASE

Trustees point out that the program will neither increase the present tax rate nor cause a raise in tax payments. The district will be required to repay these funds to the state only when, and if, it is able to do so.

As long as the district tax for building is .40 cents or more, no payment will be made to the state and, when payments are made, at no time will the tax rate for the building exceed .40 cents. At the end of 25 years the interest due the state will be cancelled and, at the end of 30 years, any principal remaining will be wiped out. Under present conditions some of these funds may become an outright gift from the state.

PTA Executive Board And General Meetings

Executive board of the Campbell Union High School Parent-Teacher Association will meet at 1:30 p.m. December 13. The general meeting will follow at 2:30 p.m.

Faculty members will be hostesses. Mrs. Eugene C. Andres, chairman for the day, has announced that Mrs. Mildred McCurry will give a Christmas reading, and carols will be sung by the high school a cappella choir.

No Postponement On Police District

Action on establishment of a Campbell Police Protection District was not postponed for a year when County Supervisors met on Monday. The December 28 hearing date still stands, since supervisors took no action on the matter.

A committee of representatives from the proponent and opponent committees was to have appeared before the board Monday to ask for a year's postponement, as agreed at a meeting Wednesday of last week. Rex Kaber, leading light in the move to form the district, was to have appeared with opponents' representatives Attorney Richard Morton and Fred P. Hoffman before the board.

Kaber said he was on hand at 10 a.m., but neither of the others appeared. Since he had an appointment at noon in San Francisco, he drafted a letter in which he requested a one-year postponement of the hearing as agreed. Morton and Hoffman appeared later and Morton, apparently misunderstanding the letter, assumed Kaber intended to go through with establishment of the district, contrary to arrangements.

Supervisors read the letter and filed it without motion. They assured Morton, however, that if Kaber or other proponents do not appear at the December 28 hearing, the action to form the district will be dropped, and added that if proponents do appear, the opposing faction will be granted further time to circulate anti-district petitions.

Kaber assured the Press this week that he wrote the letter in good faith, and had every intention of asking for the year's postponement. He commented that Attorney Morton had misstated the agreement of last Wednesday. "We agreed to postponement of the hearing for one year. We did not agree to drop the matter entirely, as Morton is reported to have told the supervisors."

He explained that the year's postponement agreed upon was to permit both factions to carry on negotiations with the office of County Sheriff Howard Hornbuckle to obtain greater protection from the sheriff's office. Kaber said he intends to be present at the December 28 hearing.

Scout Sunday At Congregational Church Service

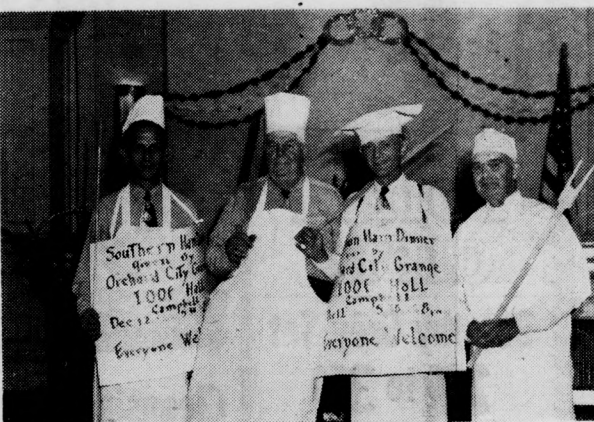

Sunday, December 10, will be observed as "Scout Sunday" at the Congregational Church in recognition of the re-organization of Troop 31.

A part of the regular 10:30 a.m. worship service will be devoted to the Boy Scouts. Mr. Milton Ryder, council commissioner from the Santa Clara Council, Boy Scouts of America, will present the troop charter, after which there will be a consecration of the troop members, scoutmaster and assistant and the patrol leaders. Uniformed Boy Scouts will serve as ushers. Parents and friends of the boys are invited to attend.

Troop 31 has recently undergone complete reorganization, and is off to a thriving start. The troop committee members are Floyd Munson, Howard Keech, Emmet Farnham, Vernon Lunt, Larry Smith, Rudolph Ledum, and Lauren Locke. Robert Beck is institutional representative from the church. Harding Smith is scoutmaster and Doug Hamilton is assistant scoutmaster.

The troop is an integral activity of the church, and meets on Tuesday evenings in the basement rooms of the church.

APPROVAL OF \$235,000 BOND ISSUE WOULD BRING UP TO \$2,250,000 AID FROM STATE FOR GRAMMAR SCHOOL

Largest school building program in the history of Campbell Union School District will come up for voters' consideration in a special district election next Thursday.

The program, which, if approved, will be financed largely by state money, calls for purchase of four school sites, building of five new schools, and additions to and completion of the present three schools of the district.

Specifically, the election ballot will ask approval of two propositions: a \$235,000 bond issue which will bring the district up to its legal limit of bonded indebtedness, and so qualify it for state funds, and authorization for school trustees to receive and expend up to

Street By Street Campaign Brings Bond Information

About 45 workers have been organized to conduct a campaign for passage of Campbell Union School District's current bond issue, Mrs. Leonard Merritt, general chairman of the citizen's committee taking charge of the campaign, announced today.

The workers in three groups will cover the Moorpark, Campbell and San Tomas areas street by street to explain the issues involved and help get out the vote.

Chairmen for the areas to be covered are Mrs. Ray Martin, San Tomas; Mrs. Ralph McKee, Moorpark; and Mrs. Lloyd Brown, Campbell.

The election, set for December 14, asks voter approval on two propositions. The first is a \$235,000 bond issue which will bring the district up to bonded indebtedness capacity and make it eligible for state allocations up to \$2,250,000. The second proposition will, if approved, authorize the district trustees to accept the state allocation. Both propositions require a two-thirds majority to carry.

The state money and local bond issue will be used to build five new schools for Campbell's rapidly growing elementary school populations.

CHURCH ENDORSES SCHOOL BONDS

The Campbell Congregational Church endorsed the current elementary school district bond issue which comes before district voters December 14. The endorsement, made at an executive board meeting Tuesday night, followed a talk by Dorothy Royce, Campbell Grammar School principal. Mrs. Royce told the gathering of the history of the growth of the elementary school population and explained how the proposed building program will ease the already overcrowded school building situation.

Moorpark Pupils Hear Orchestra At Campbell

Moorpark School second graders went to Campbell School on Wednesday afternoon to hear Mr. Richard Gordon direct the school orchestra. The program was part of the Moorpark pupils' study unit on musical instruments.

Mr. Gordon introduced members of his orchestra in "families": the strings, brasses, woodwinds and percussions, and demonstrated use of the baton in directing an orchestra.

Several selections were played, including two Christmas numbers which the entire group sang under Mr. Gordon's direction.

Teachers whose classes attended were Miss Helen Prindiville, Mrs. Lois Hoyt, Mrs. Doris Parsons and Mrs. Evelyn Cassidy.

Teachers Association Supports Big Vote

In an effort to get a good turnout of voters for the December 14 school bond and authorization election, Campbell Teachers Association is sponsoring an "I have voted. Have you?" campaign to be carried out in cooperation with their pupils.

A paper with these words on them will be passed out to voters at the polling places after they vote. Starting after school, children will make the rounds of neighborhood homes to collect the slips. The class collecting the greatest number wins a prize.

Polling Places

Four polling places have been set up for Campbell Union School District's December 14 bond election. They are: (1) Campbell Grammar School, (2) Glaze Hardware at 536 Bascom Avenue, (3) San Tomas School, and (4) Moorpark School.

Polls will be open from 7 a.m. to 7 p.m.

Superintendent William C. Henley said precinct maps have been distributed through the schools and will go home to parents on Tuesday. Voters will receive postcards in the mail telling them where to vote next week.

Inspectors of election boards will meet at the office of District School Superintendent William C. Henley next Wednesday morning to receive instructions on conducting the election. Henley will act as secretary for the school trustees for the meeting.

Inspectors and judges for election precincts are: (1) Arva M. Knowles, Yvonne Binley, Virginia Howard; (2) Helen S. Andres, Frances M. Ginney, Lorraine M. Oversacker; (3) Ethelda Minehart, Dorothy M. Ellis, Ethel M. Frey; (4) Arvis D. Root, Anne M. Zander, Helen E. Young.

\$2,250,000 of state monies to carry out the program. Both issues require a two-thirds majority to carry.

5000 IN 1954

The building program is the district's proposed solution to the problem of a rapidly growing elementary school population that has risen from 1000 in 1944 to 2600 this year, and is estimated to reach 5000 by 1954.

At present, the district has 80 classes and 63 classrooms, many classes being taught in unfinished rooms or temporary quarters. Even if the bond issue and authorization election carry, the building program will not be far enough along by 1951 to prevent double sessions for 38 classes.

State officials have already approved the building program and allocated \$1,663,588 to the district. The allocation is conditional on approval of the two ballot propositions. Authorization to receive the larger amount will allow the school trustees to request further state funds in event of rising building costs or other contingencies.

COMPLETE UNITS

The building program also includes furniture and equipment for school rooms, and a small administration building. All schools will have cafeterias, kindergartens, offices and ground improvement.

No repayment of the allocation (Continued on Page 8)

Audrey Fricke, Thomas Maruca Exchange Vows

Miss Audrey J. Fricke and Mr. Thomas Maruca Jr. exchanged vows November 26 in the chapel of the First Methodist Church in Los Gatos. The Rev. S. D. McQueen officiated. The ceremony was attended by the immediate families of the couple.

The new Mrs. Maruca is the daughter of Mr. and Mrs. Carl H. Fricke of Los Gatos. She graduated from Los Gatos high school. The benefit is the son of Mrs. Rose Maruca of Campbell. He graduated from Livemore high school.

Given in marriage by her father, the bride wore a ballerina length dress of pink nylon and carried a bouquet of white camellias. The matron of honor, Mrs. Carl J. Fricke who is the bride's sister-in-law, was attired in a metallic-blue dress and carried a bouquet of blue and orchid-colored flowers. The bride's brother, Mr. Carl J. Fricke, was the best man.

Following the ceremony a buffet-supper was given at the home of the bride's parents for the families. There the couple cut a two-tiered wedding cake.

When the couple left for a honeymoon in Carmel the new Mrs. Maruca was wearing a grey suit accented with navy-blue accessories. They are now at home on Montevina Road in Los Gatos.

California's small game hunters rank pheasants as their first choice, followed by ducks, quail and doves.

By JERRY THOMAS

EX-BUC HONORED . . . The grid talents of Billy Wilson, former Campbell All-SCVAL end now at San Jose State College, have finally been recognized, to a degree

BILLY WILSON
End

at least, on a national scale. The past week, Wilson was named on two All-Coast teams. The United Press put him on their second offensive team, behind Bill McColl of Stanford and Bob Wilkinson of UCLA.

Incidentally there is much room for argument for placing the Snuffer on the second team only. But that's how these All-Every-thing selections go. So long as there are couple hundred of football "experts" you will find a couple hundred different All-American teams.

Wednesday the Associated Press came out with its annual mythical grid squad. Wilson was placed on the third team.

One of the best all-around athletes in Spartan history, he will be held up as a standard for future San Jose ends. Statistically, his records may be passed. After all, how else can a record be made if some newcomer didn't out-statistic some former mark?

It is doubtful if any future Spartan end reaches Wilson's versatile brilliance in blocking, pass reception and defensive play.

Wilson, a senior, leaves a three year record of 56 passes caught for 948 yards with 10 touchdowns. In addition, he averaged nearly eight yards per try on end-runs.

In this day of Super-Specialism among players, Wilson is a novelty. Coach Bob Bronzan had the Snuffer playing both ways. Truthfully, it is hard to determine

whether he excelled more on the offense or on the defense.

In watching seven Spartan games this fall, we did not see Wilson's flank turned on any given play. Granted he didn't make every tackle but by drifting outside and using his hands and body he caused many plays to run inside.

One of Wilson's finest games of defensive football was the Spartan-USF tussle. Ollie Matson can readily testify to Wilson's stubbornness and refusal in having his end swept.

Matson, picked on several teams averaged over six yards per try in some 20 attempts that night, yet he wound up with a minus the few times he attempted to run Billy's way.

Wilson, is also being considered by the Western Selection Committee to play in the annual East-West Shrine game.

This December 31 game at Kezar stadium is indeed an honor for any player chosen to the squad.

Needless to say, the competition is terrific, but for sure. All senior stars this side of the Mississippi river are considered. Unlike modern football teams that carry 45 to 50 men, only 24 players will compose this year's West squad.

Every school (in both the Western and Eastern areas) is sent a questionnaire by the standing selection committee. The school is then permitted to nominate three players.

The choosing of the West squad should be completed some time this week. And Wilson stands a very good chance in making the much sought team.

Though the erstwhile Buc flanker was worth only second and third team laurels on the Coast teams, his grid values are placed on a higher level in pro circles.

Last year when only a junior, Wilson was drafted by the San Francisco 49'er professional team.

It must be obvious to the most prejudiced individual that a college grid star cannot survive on (Continued on Page 5)

Campbell Cagers Meet Willow Glen High Tonight In First Game of 1950-51 Season

A definite height disadvantage and lack of varsity experience are the two main deficits that the Campbell high school basketball team must overcome tonight if they wish to beat Willow Glen in the season's opener on the latter's home court.

The Buc 30's meet their W. G. counterpart in the preliminary.

Coach Bert Robinson revealed that four of his five starters lack any varsity experience. Only Forward Nick Tersigni played some varsity ball last fall.

At center, Jack Bray is set to start. A lanky six-footer, Bray is up from last year's 30's team. The guards, Frank Mantia and John Waltys also are up from the 30s. Both are well under six feet.

Along with Tersigni at forward will be Len McCully. The tallest man on the starting quintet at 6'11". McCully possesses no organized cage know-how at all.

Saul Estrada and Stan Gazay are pressing the aforementioned five for starting assignments. Estrada, who was a first-string guard on last year's team, has been slow in rounding into shape after a late start due to football chores.

Gazay, center, played on the varsity last season also. He has indicated that he will be hard man to keep out of the first five.

In all, Coach Robinson will suit up approximately 18 men for tonight's contest.

According to him the following men have apparently made the varsity as of this writing: John Lopina, forward; Manuel Hernandez, forward; Dick Byers, center; Daxe Baxter, guard; and Frank Weltz, forward.

Robinson quickly added that positions are by no means permanently settled. Several of the men are so closely matched that any one of them may spring forth into

a playing spot, leaving the others wringing their jerseys.

The 30's squad will play the same schedule as the varsity. The current starting line-up consists of Tom Barton and Tom Hill at the forward posts, Jack Harris in the pivot slot, and Trent Barton and Jim Heaton at guard.

A concentrated battle for the starting center spot is in the making with Henry Ramp and Verl Weitzel only a shadow below Harris.

Only Harris's previous experience has earned him tonight's opening position. At the moment he handles himself smoother and more knowingly.

Hardwaremen S. C. Lumber Win Cage Openers In B Loop

The Adult Basketball League started its season of play Tuesday night at the local gym with the B loop performing before a surprisingly large crowd.

In the first game, Campbell Hardware disposed of Sisemore's after a slow start, 45 to 24.

The first half was a see-saw affair with both teams exchanging the lead. Score at half time was knotted at 14 all.

Coronado of the Hardwaremen was high scorer with 14 points.

Sisemore's Gene Campbell tallied 8 points.

The night cap saw a potent Santa Clara Lumber quintet man-handle California Supply by the overwhelming score of 52 to 17.

The winners indicated to all other clubs that they would be tough to take as they displayed scoring potential plus.

At the half way mark they led 21 to 10. Wentworth of SC Lumber was top scorer with 13 points.

(Continued from preceding page) some abstract national recognition unless a nice concrete factor namely a pro contract, comes up from some eager, easily-impressed pro team.

Too often the boys who pick the alleged All-Americans are carried away by the flowery, dreamy, wishful-thinking, phrases concocted by well-meaning publicity men.

To them every player they boost is a combination of Red Grange and Frank Merriwell.

The drafting of Wilson, we believe, is more indicative of his present and future gridiron ability than his making jillions of All-Everything squads.

Columns of words come for free in selecting these mythical aggregations and everyone is wil-

Novice Wrestling Tourney Postponed

The Novice Wrestling Tournament scheduled for last Monday at the high school has been postponed indefinitely until sometime after the holidays.

Wrestling coach, George Miskulin, sponsor of this all-Buc event, offered the following reason for the delay.

"Since the boys are new-

comers to the sport, we feel that they need more guided instruction and proper conditioning before entering the tournament," he said.

"In fact," the burley mentor continued, "several participants came to me requesting a definite delay for the same reason."

There will be 11 weight classifications from 97 pounds to 300 pounds. All boys, freshmen to seniors, are invited to enter, Miskulin said.

Dies In San Jose

Anne M. Matutinovich, mother of Katherine Talia of Campbell, died December 4 in San Jose. She was a native of Yugoslavia.

Funeral services were conducted Thursday, December 7, at 9:30 a.m. in San Jose, with requiem high mass at St. Joseph's Church. Interment was at Santa Clara Catholic Cemetery.

In addition, Mrs. Matutinovich is survived by her sons Philip (Martin) Matutinovich and Anthony Matutinovich of San Jose, Jerry (Martin) Matutinovich of San Francisco; daughter, Anna Grossi of Los Angeles; brother John Marinovich of Argentina, 10 grandchildren and five great-grandchildren.

Local High Honors Buc Players, Dads At Football Dinner

Campbell high school football players and their dads were honored at the first annual Fathers and Sons Football Banquet held at

Bucs Cove Tuesday evening. Bob Ghilotti, freshman coach at Stanford University, was guest speaker.

Jim Muir, head grid mentor, introduced the entire staff, and presented various faculty guests.

Mr. Laurance Hill, principle of Campbell high, spoke briefly. He commended the team for their vast improvement during the latter stages of the season.

Messrs Bishop and Gomes of

the board of trustees congratulated Coach Muir and his cohorts. Junior Morgan and George Miskulin for the job they did with the available material.

They were especially proud of the Buc squad itself for the spirit and attitude it maintained against the stronger SCVAL opponents.

Ghilotti spoke about the neces-

sity of a college education. He urged the Bucs to consider deeply the possibility and opportunity of furthering their education.

He had high praise for the grid prowess and over-all ability of Dudley Herschback, former Buc star end who attended Stanford this year as a freshman.

Said bonds, if authorized at said election, shall constitute obligations of Campbell Union School District as the same legally exist on the date on which the bonds, or any thereof, are delivered to the purchaser or purchasers thereof and become outstanding obligations of said District.

Notice is hereby specifically given that a question of law is now pending involving the determination of the exact boundaries of Campbell Union School District, including the question of whether or not a portion of Campbell Union School District as the same existed January 1, 1950, has been included within the City of San Jose by election held on February 23, 1950, and therefore by the same proceedings excluded from Campbell Union School District. That certain area within the boundaries of Campbell Union School District commonly known as Bradley Manor No. 3, more particularly described in the Certificate of Annexation filed by the City of San Jose in the office of the Secretary of State on April 6, 1950, and as described in that certain Affidavit of Completion of Annexation by the City Clerk of the City of San Jose and filed for record in the office of the County Recorder of the County of Santa Clara on the 11th day of April, 1950, bearing Recorder's serial number 631340, was annexed to the City of San Jose in and by said proceedings which are hereby referred to and by reference incorporated herein and made a part hereof, and if said area is legally annexed to the City of San Jose, it does not constitute a part of Campbell Union School District and the votes cast within said area at said election shall be disregarded and none of the property within said area so annexed to the City of San Jose shall be taxed for the interest or redemption of said bonds if authorized at said election. The said area described in said annexation proceedings is all included within Election Precinct No. 4 hereinabove referred to and constitutes a separate election precinct for the purpose of the consolidated bond and apportionment authorization election hereby called. If it be finally determined in the proceedings now pending in the Superior Court of the County of Santa Clara, entitled "Chadwick M. Morin and Frances M. Morin, Petitioners, v. City Council of the City of San Jose, et al, Respondents, Phillip L. Olsen and Dorothy Gray Olsen, Intervenor", No. 76097, which proceedings are hereby referred to and by reference incorporated herein and made a part of this notice of election, that said area was not legally annexed to the City of San Jose, said area shall be and remain a part of the Campbell Union School District, the votes cast in said annexed area shall be counted as legal votes for or against the issuance of said bonds as the case may be and taxes for the payment of the interest and redemption of said bonds if authorized at said election shall be levied upon the taxable property in said area with like force and effect as though the same were a part of the Campbell Union School District.

The Campbell entry, as luck would have it, meets the pre-tourney favorites in the first round.

The first round games will be played cross court, thereby decreasing the length of time spent at the tournament.

Each school may enter two boys in the First Throw contest to be held prior to the championship game. Qualifying rounds will consist of 10 shots per man, with the best six boys entering the finals.

Including Campbell and Alum Rock the following schools will participate in tomorrow's affair; Gilroy, Sunnyvale, Los Altos, Oak Grove, Mt. View, Cupertino, Santa Clara, Burbank, Evergreen and Los Gatos.
